## EDUCATION

### **Oregon State University, Corvallis, OR — Computer Science**

September 2017 - Present

Currently an enrolled student learning computer programming in the School of Engineering. Have passed all CS classes with A's and program in my free time.

- ❖ Data Structures CS 261 (A)
- ❖ Web Development CS 290 (A)
- ❖ Assembly CS 271 (A)

### **West Career and Technical Academy, Las Vegas — High School Degree**

August 2013 - June 2017

Graduated with an emphasis on engineering. I took all honors classes and scored in the upper 25th percentile in SAT and ACT tests.

## EXPERIENCE

### **Political Canvassing, Las Vegas**

July 2018 - August 2018

I went door to door to talk with people of diverse backgrounds. I always worked when I could despite desert heat because I wanted to get better at conversing with strangers.

### **High School Lunch Aid, Las Vegas**

August 2014 - June 2017

I learned how to prepare food, clean the area, and serve other students. I taught other students to work efficiently and correctly and was asked to return each year.

## ORGANIZATIONS

### **St. Baldrick's Foundation — Volunteer**

St. Baldrick's Foundation helps fight against childhood cancer. I volunteered to work at multiple events and go to the houses of families struggling with the disease. I learned to enjoy doing good work for good people in need.
